

April CAPPS Meeting

CUAT UPDATE

- EmpowHR included in the CUAT environment for PP10 UAT.
- Current pay period/effective date will be used on all documents processed for the PP10 UAT.
- EPP and Reporting Center will not be included in the UAT environment for the PP10 test period but will be included in the spring of 2012.
- The CUAT job stream will run daily.
- Changes to STAR Web expected to be ready for testing in the UAT environment in PP09.
- Developers are working to have a CUAT version of WebTA for USDA agencies.
- UAT staff continues to evaluate the enhancements to PUDS. Working with the developer to provide a feature to upload SSNs for an excel spreadsheet.
- Conducted successful internal FESI transmission. Working with several agencies to conduct a transmission from an external user.
- Kick-Off meeting tentatively scheduled for Tuesday, April 26, 2011. A separate CAPPS notice and agenda items will be distributed.
- Developers continue to work on interface issue between EPIC Web and PMSO.
- Agencies are encouraged to participate in testing.
- Submit questions to the CUAT mailbox at NFC.PPSUAT@nfc.usda.gov.
